

Kérastase is available in 5 continents, and is exclusive to the best salons; each Kérastase Ambassador is fully educated on each product within the Kérastase Collection and can recommend your personalized hair care program.

Since 1964, Kérastase has been creating new hair care services founded on their most advanced formulae, and subsequently it's best performing products. A real ART OF CARE which is dedicated to enhancing the natural beauty of the hair, based on 3 essential values: Performance, your hairdresser's Expertise and Personalization. Since its creation, Recherche Avancée L'Oréal has selected its most advanced technology for the Kérastase Collection.
