

## LUSH the Art of Makeup 2009 Collection

Our luxury makeup line designed exclusively for LUSH the Art of Makeup combines the most up-to-date colors with skin-care benefits that conventional makeup's can only envy-designed to help your skin reach its optimum health while enhancing its natural beauty.

The line consists of pressed and loose eye shadows, tinted-foundations, pressed face powders, matte blush and finishing powders all hypo-allergenic and blended with real minerals and vitamins.

It's free of talc, oils, fragrances and other ingredients that irritate the skin, which allows for a fresh and clear look. These mineral products are great for post-op and sensitive skin.

A true extension of hair care, this technologically advanced mineral cosmetic line is highly recommended by plastic surgeons, dermatologists and hair care professionals.

Our certified Makeup Artists will select the colors that compliment your skin and show you how to use it. We will educate you on which products work best for you and your skin.

### Professional Make up Application

Whether it's a wedding, special evening out or an interview, let us tailor a makeup application for your occasion. Your Artist will advise and apply each step from base to lip gloss, all with colors that will enhance your facial features and coloring.

### Luxury Professional Make Up Lesson

Learn how to enhance your unique facial features with expert advice. From a selection of special seasonal fashion colors and our classic range we will guide you through a routine for day or night. You'll leave with your personalized color chart so you can recreate the look at home.
